

BINGO

HOW TO CREATE YOUR BINGO CARD

Step 1

Draw 3 grids 5 x 3

Step 2

Google "Random Number Generator"

Set Number range 1-90

Step 3

Click 15 times to give you 15 numbers and make a note of them

Step 4

Put numbers into your grid (for ease during the game put them in numerical order on your grid)

Step 5

Repeat 2 more times

Step 6

Join the Zoom with your grids and a pen (or Bingo Dabber if you're fancy)

Bring your own snacks!

There will be prizes REPEAT there will be prizes!
